

Analog / linear IC Tester

ProductCode: GE 500

FEATURES

- * It has 12/16 keys for its operation.
- * Battery & Mains operation
- * Potential free 40 pin universal ZIF socket.
- * Digital Display to show IC number, PASS & FAIL Status. Operations display.
- * Tests most of the iCs in DIP package, The list includes Operational amplifiers, voltage comparators, transistor arrays. opto couplers, analog switches, voltage followers, timers, A to D converters, D to A converters and miscellaneous analogics
